DEDICATION

The year 1953 is the 200th anniversary of the town of Greenfield. For this reason we have been interested in the story of the growth of the high school. We found that an article was placed in the town warrant in March, 1852, to see if the people would raise a sum of money to build or purchase a school house, as required by the State Law. A committee was named to study the matter, but no plan was carried out until 1855, when a high school was opened in a small room in Davis hall. Mr. Luther B. Lincoln of Deerfield was employed to teach at a salary of \$50 a month. The experiment was successful and the school was moved in the autumn to a hall in the school house at Nash's Mills. The cost of the school for the first year was \$696.14.

In March, 1857, a committee was named by the townspeople to consider building a high school. They favored a location on Chapman Street (now a parking lot) and submitted a plan for a two-story school house at a cost not to exceed \$4000. A vote was passed authorizing the building, and the entire cost of building and furnishing was \$5240. The Chapman Street building was in use as high school until a new building was erected on Pleasant Street in 1872.

The fourth building, now the Federal Street Junior High School, was erected in 1894, burned in 1904, and rebuilt, and the present high school was completed in 1923.

The Class of 1953 is proud of the people of Greenfield who have kept in tune with changing times, always making it possible for every child to be prepared to take his place as a citizen. It is, therefore, with great pleasure that we dedicate this EVERGREEN to the people of Greenfield.

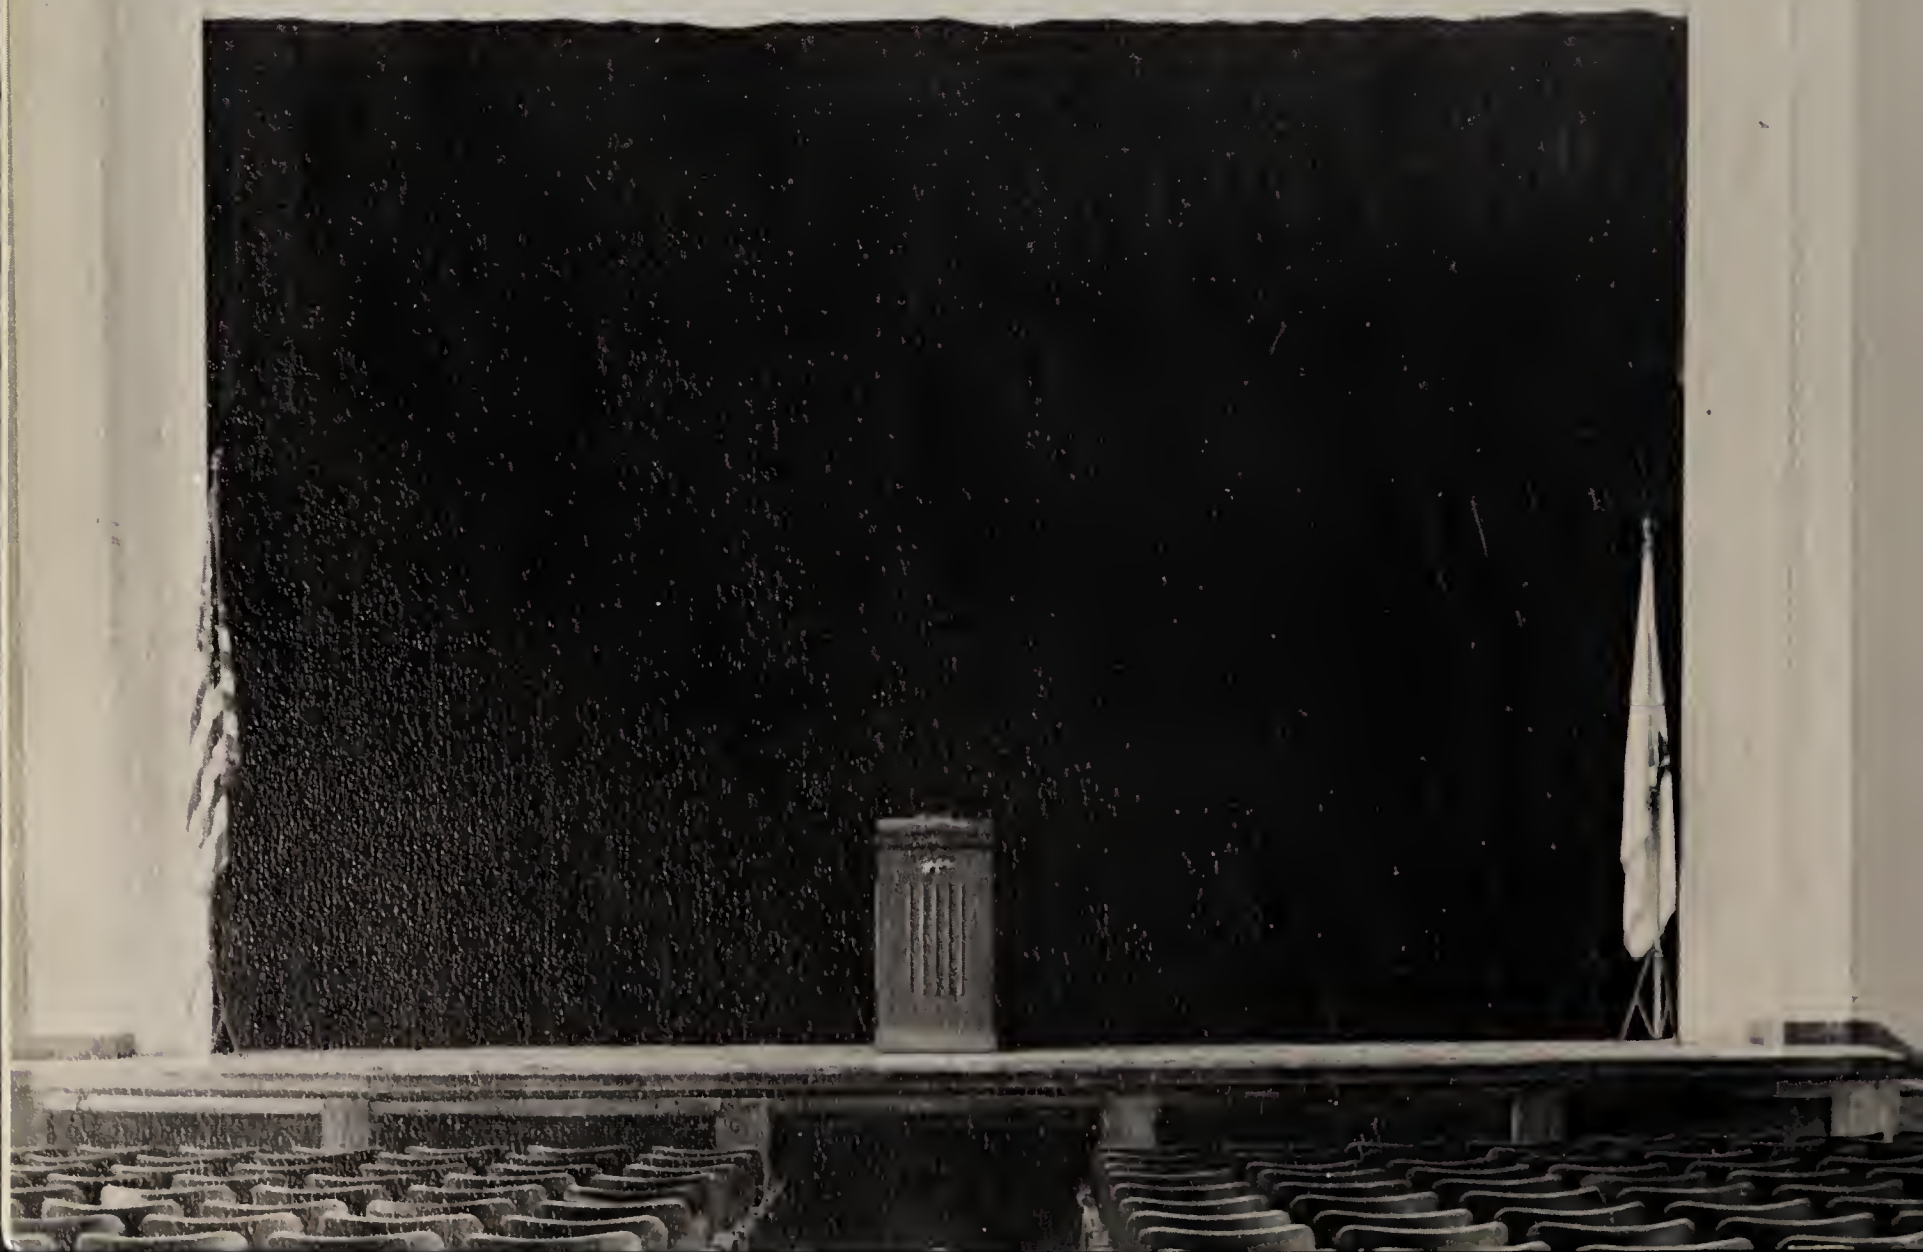

REfournier

SCHOOL SONG

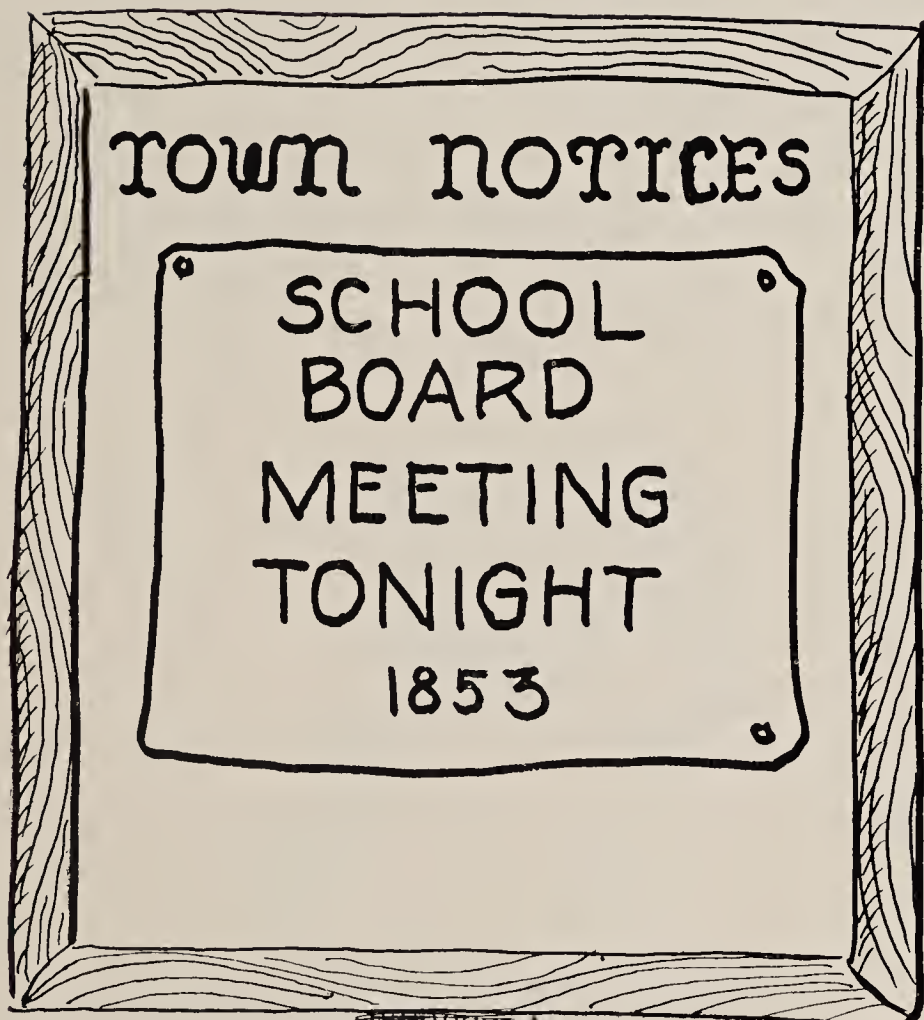

Three cheers for G. H. S.
Our high school is the best.
Scholarship and Loyalty
Stand for victory.
Rah! Rah! Rah!
We stand for Honor too,
In these three we trust.
So give three cheers for the
Green and White
And the hopes of G. H. S.

To win in work and play
We struggle day by day.
'Tis no easy mastery
To test our team work here.
Rah! Rah! Rah!
We firmly hold our ground,
Comrades tried and true,
And then press forward
Toward our goal,
With the courage ever new.

Three cheers for G. H. S.
Our high school is the best.
Scholarship and Loyalty
Stand for victory.
Rah! Rah! Rah!
We stand for Honor too,
In these three we trust.
So give three cheers for the
Green and White
And the hopes of G. H. S.

NELSON DYER

Three years ago, during the Fall of our Sophomore year, we lost from our midst one of our most popular and active classmates. One day in early October Nelson Dyer suffered an accident from which it was extremely doubtful whether he would fully recover. Nellie's determination and spirit enabled him to discard his heavy spinal cast within a few months and a few weeks later he was able to sit up.

Since then Nellie has progressed remarkably and, although he still needs crutches and a wheelchair, he has been home on several occasions.

Nelson is now at the Canton Hospital in Canton, Mass., and is the current weight-lifting champ of the hospital.

We'll always remember Nellie's bright smile and sparkling personality.
Best wishes from your classmates, Nellie, and Good Luck Always!

GHS Seniors Excellent In Annual Play Opening

Greenfield High School seniors brought off an excellent opening performance in their presentation of the comedy-mystery, "Home Sweet Homicide," at the high school auditorium last evening.

Benefitting from a competent directing and production job, the student actors moved with spirit and skill to stage a humorous, entertaining story. They'll do a repeat performance tonight at 8.

The play, adapted by Ann Reynolds from the book by Craig Rice, describes comically tangled efforts of three children attempting to marry off their mother by complicating and delaying the work of a murder investigation.

Carrying out this ambitious program, in the chief roles as the children are Elaine Phillips, Sandra Burnham and Norman Stotz. The latter delivered a laugh-provoking performance as young brother in combat with two teen-age sisters. As the older of the two sisters, Miss Phillips was called on for a large share of the play's action and she met the challenge with assurance in the precise and interesting characterization which the part required.

In the best part and the most demanding, Miss Burnham carried off the acting honors. As a sprightly 14-year-old the leader of the conspiracy, she scampered through a difficult role with a smooth portrayal. She cried, screamed, cajoled and told some elegant lies, and did it all with ease and intelligence. Her performance was as good as the best to be found in high school theatrics.

Among the others, Mike Owseichik cavorted in a fine, gusty performance as Police Sgt. O'Hare; Margaret Sullivan and Howard Gates as the objects of the kids marital machinations did a first rate job.

A couple of improbably named clowns, Slukey and Flashlight, played by Richard Hanley and Francis Dziekonski, stole a part of the play with some superbly done low comedy.

Charlie Peterson and Margaret Anderson were fine in their role of the dignified next door neighbors Thomas Potter, Robert Brown, Richard Parks and Richard Campbell performed ably in their supporting parts. Judith Hamilton, in the part of an actress, and Barbara Kestyn as the "menace" to a romance were polished and sophisticated in their brief characterizations.

Others in the cast are Elizabeth Erisman, Richard Hawkins, Janet Poole, and Marilyn Punch.

Miss Marion L. Congdon, directing her first senior play, rates a bow for her success and the entire production company deserves applause for a creditable job.

A junior class sextette pleased the large audience with songs at each intermission. They sang "Among My Souvenirs," "Love Nest," "Always," and "White Christmas," and scored their greatest success with the last mentioned number. The group is composed of Carol Bomley, Theresa Sawicki, Juanita Harris, Gay Sinclair, Katherine Moran and Pauline Togneri. — J.C.

SENIOR PRO MERITO

President _____ John Owseichik
 Vice President _____ Ann Barry
 Secretary _____ Marilyn Punch

Third row: Miss Marion Bartlett, *Doris Budarz, *Myrna McGahan, *Barbara Page, Marilyn Punch, Ann Barry, *Elizabeth Erisman, Constance Wood, Janet Jones.

Second row: Richard Darling, Raymond Pydych, Charles Peterson, Thomas Cahill, John Owseichik, Robert Walborn, Belknap Thompson.

First row: *Jane Peloquin, *Judith Hamilton, Beverly Doolittle, *Molly Cleary, Cynthia Smith, Margaret Sullivan, Sandra August.

Pro Merito, the academic honor society of G.H.S., is advised by Miss Marion Bartlett. Students with no mark lower than a B become members of Pro Merito at the end of the third marking period in their Junior year. All other students who maintain an average of 85 per cent or better in their courses are placed in this society at the close of any of the remaining five marking periods. Ushering at graduation exercises in Junior year, ushering at the Senior Play, and attending the annual Massachusetts Pro Merito conventions are the projects of this organization.

*Elected in Junior year

President

Howard Gates
Vice President

PROGRAM COMMITTEE—Margaret Sullivan, Mary Jane Moran, Myrna McGahan, Elizabeth Erisman.

THE FORUM

The Forum was first organized in 1946. Since then, it has been a rapidly growing club. It has increased from thirty to one hundred and sixty-seven members.

The object of the Forum is to give a broader concept of world affairs to students who are interested. This theme has been developed through the years by having speakers and panel discussions on current topics.

The purpose of the Forum has certainly been developed to capacity this year. Our first speaker of the year was Mr. E. J. Goodridge of Liberia, Africa. Mr. Goodridge was in the United States through a Ford Foundation grant. He was very much impressed with Greenfield, and he gave the people of Greenfield some very enlightening ideas about Africa.

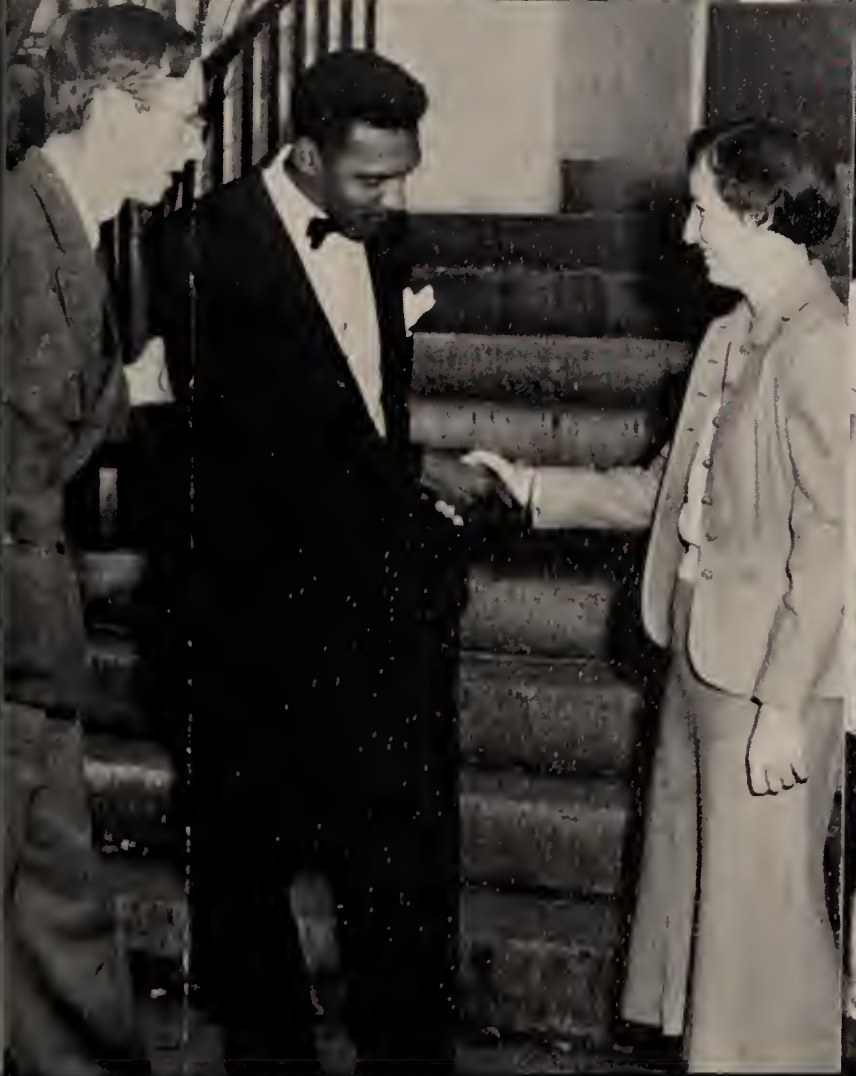

Miss Janice Weeks and Mr. Robert Hume, former Greenfield students, further developed our foreign knowledge. Miss Weeks spoke about her travels on the European continent, and Mr. Hume spoke about his experiences in Tunisia.

Mr. Donald White, also a Greenfield alumnus, gave us an interesting picture of Alaska.

At the time of the national elections Mr. Russ Miller of Deerfield Academy spoke to the Forum about the qualifications of a good presidential candidate.

The Forum sponsors assemblies during the year. One of this year's assemblies was a student-conducted meeting of the UNESCO branch of the United Nations.

Mr. Bayard Rustin spoke at another assembly about starvation in India and the need for understanding Indian problems.

"Every little bit helps" has been the slogan of the staff. Some have typed; some have furnished snapshots; some have gathered "ads"; some have made drawings; some have been salesmen. All have worked together to produce the 1953 Evergreen.

The Editors and Staff appreciate the assistance of Miss Curtis, Mr. Sander, Mr. Watt, Mr. Cox, and Mr. Adams. They are also grateful to the Greenfield Recorder Gazette for pictures and for copy; to Mr. Gamelin for his patience as class photographer and to Mr. Charles Winslow for photographs of early Greenfield.

ADVERTISING

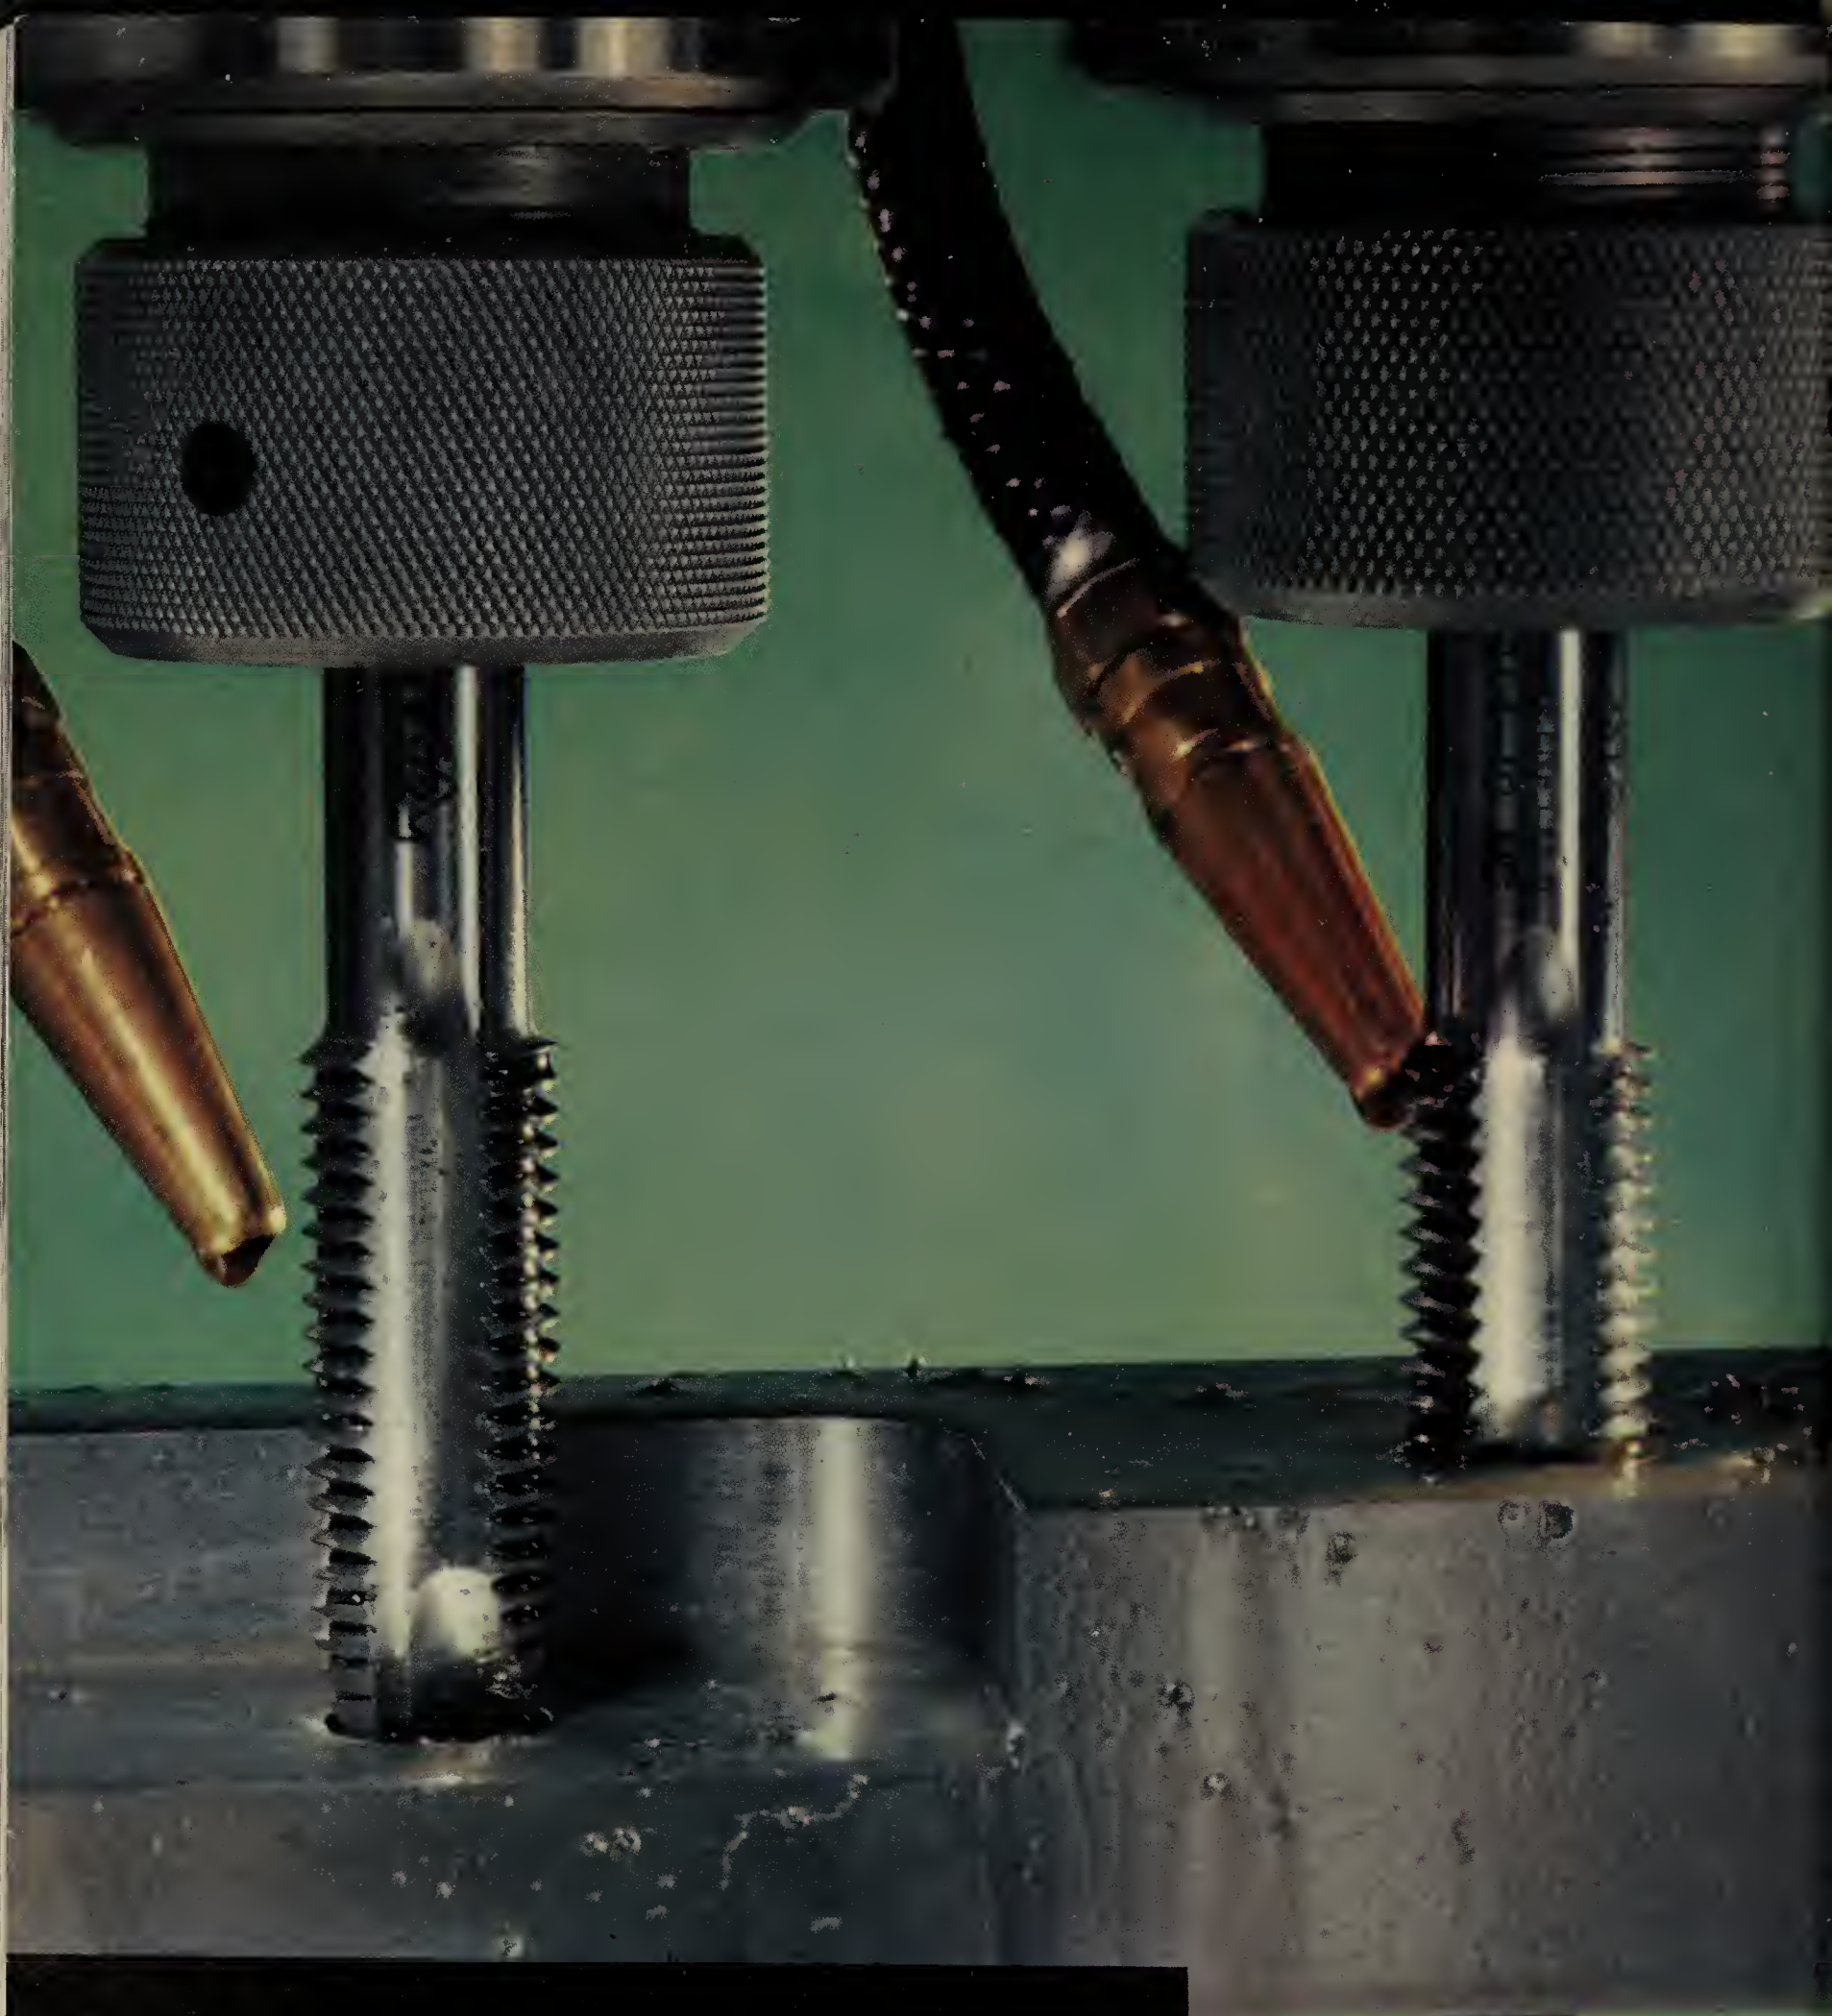

RUGGEDNESS AND REFINEMENT are two things you might not expect to find combined in one tool. You will find both, however, in GTD-AMPCO End Mills.

The precision finish of the shanks, the uniformity of the cutting teeth, the exactness of size assure accuracy in use. Design, steel selection and precisely controlled heat treating give them their ruggedness.

AMPCO TWIST DRILL DIVISION
GREENFIELD TAP and DIE CORPORATION
GREENFIELD, MASSACHUSETTS

THE "GUN" TAP, the original spiral pointed tap, was developed by GREENFIELD to lick tap enemy No. 1, breakage due to chips clogging in the flutes. This problem is especially troublesome in "stringy" metals where the chip is long and curling.

The Gun point solves the problem in through holes by causing the chips to shear and "shoot" out ahead of the tap.

In some cases even blind holes can be tapped with the new Bottoming Gun Taps now furnished in machine screw and $\frac{1}{4}$ "- $\frac{5}{16}$ " sizes.

PERMANENT INVESTMENTS

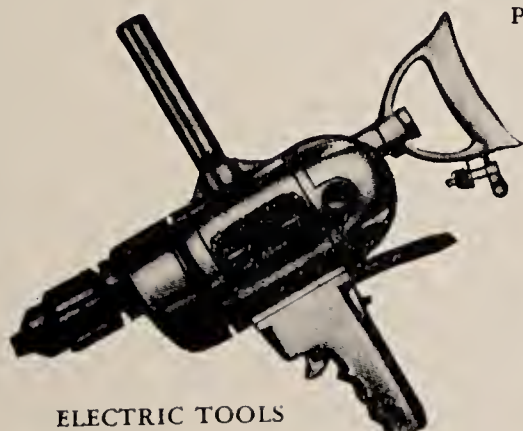

We congratulate you upon the completion of your High School course. Your diploma is the symbol of a wise investment in permanent values—values that will be a sound foundation for continued growth, wherever you go, whatever you do.

Sometime in the future you will have a need for tools—for your job, or your hobby, or home repairs. When this time comes, look for the Millers Falls trademark—the symbol of permanency on tools. Since 1868 we have constantly searched for better materials, designs, and finishes to give lifetime utility to the tools we manufacture. Given reasonable care these tools will "season" in use, taking on a character all your own and will be lifetime friends known and proven by the work they perform.
